

## 2020 HFP Triathlon Club Partnership

Dear Triathlon Club,

We would like to share with your club a great opportunity to get a discount on HFP Racing races in 2020. A partnership with your triathlon club and HFP Racing is a win-win for the upcoming season of racing:

If your club is interested, we will offer your members 15% off HFP Racing events in 2020. This offer can help create more comradery between members! You could even make an HFP Racing race a club race.

Your club logo will be on our website for the 2020 year. We strongly encourage your club to have a tent near the finish line at races for your members to have a place to chill + support other people crossing the finish line. This helps get your club more exposure.

What we ask of you is that you tag us in your social media (Facebook, Instagram, Twitter) of your members training & racing. This gives HFP Racing exposure.

If your club is interested, please confirm the following information by Thursday, April 30, 2020:

- Main contact of the club (email & phone)
- How many members are in your club
- Club social media handles
- Club logo

Once we receive the above information, we will send you the code for your members to use to save 15% on races.

Should you have any specific questions about the race discount, you can email us at: [customerservice@hfpracing.com](mailto:customerservice@hfpracing.com)

We will respond within 48 hours – dependent on races.

I look forward to hearing from your club
